

LOOK AT WHAT WE HAVE DONE

Cystic Fibrosis Foundation Bethesda, MD

Interplan’s design included a new conference center for use by all departments and staff. The conference center features a large 80 seat divisible conference room with state-of-the-art audio and video capabilities. A wide curving corridor connects the individual conference rooms, creating a break-out space for in between meeting breathers.

WHAT’S NEW

Renata Gorman receives LEED AP Certification

Interplan has been working to incorporate LEED design into many of our projects. Four designers are now LEED accredited at Interplan. It is important for Interplan to inform our clients about the economic benefits, positive environmental impacts, and certification levels regarding LEED certified facilities.
